

HERE
COMES
BICYCLE
BETTY!

*I wish there were more visible
bike lanes in Ventura! Also, how
'bout better bicycle racks, like at
the Farmer's Market-where I'm
headed right now! Weeee!*

If you feel the same way, come join the VCCOOL Bicycle Pod on Sat. March 7th at the downtown Farmer's Market and voice your bicycle needs. This years transit budget is being decided NOW. We'll give your testimony to the VCTC.

Ride your bicycle and bring your friends!
